

Flat with high ceilings and parking space in a new project.

Pūces 47, Rīga

Deal: BUY

Type: Apartment

Total Area: 86.6 m²

Sale Price: 135000 €

Flat with high ceilings and parking space in a new project. Thoughtful layout, lots of space, quality renovation and three loggias. Excellent new project of 2007 with parking spaces, lift and good soundproofing. Well-maintained and neat stairwell with automatic lighting and entrance door equipped with a code lock. Near the house there are several playgrounds for children.

The flat is located on the 2nd floor. Good repair, quality wooden furniture and interesting design solutions (arches with stained glass windows in the interior doors, man...
