

A real pearl in the heart of Vecriga opposite St. Peter's Church. A loft-artist workshop on the mansard floor of a 5-storey building sells

Skārņu 7, Rīga

Deal: BUY

Type: Apartment

Total Area: 123.5 m²

Sale Price: 159000 €

A real pearl in the heart of Vecriga opposite St. Peter's Church. A loft-artist workshop on the mansard floor of a 5-storey building sells.

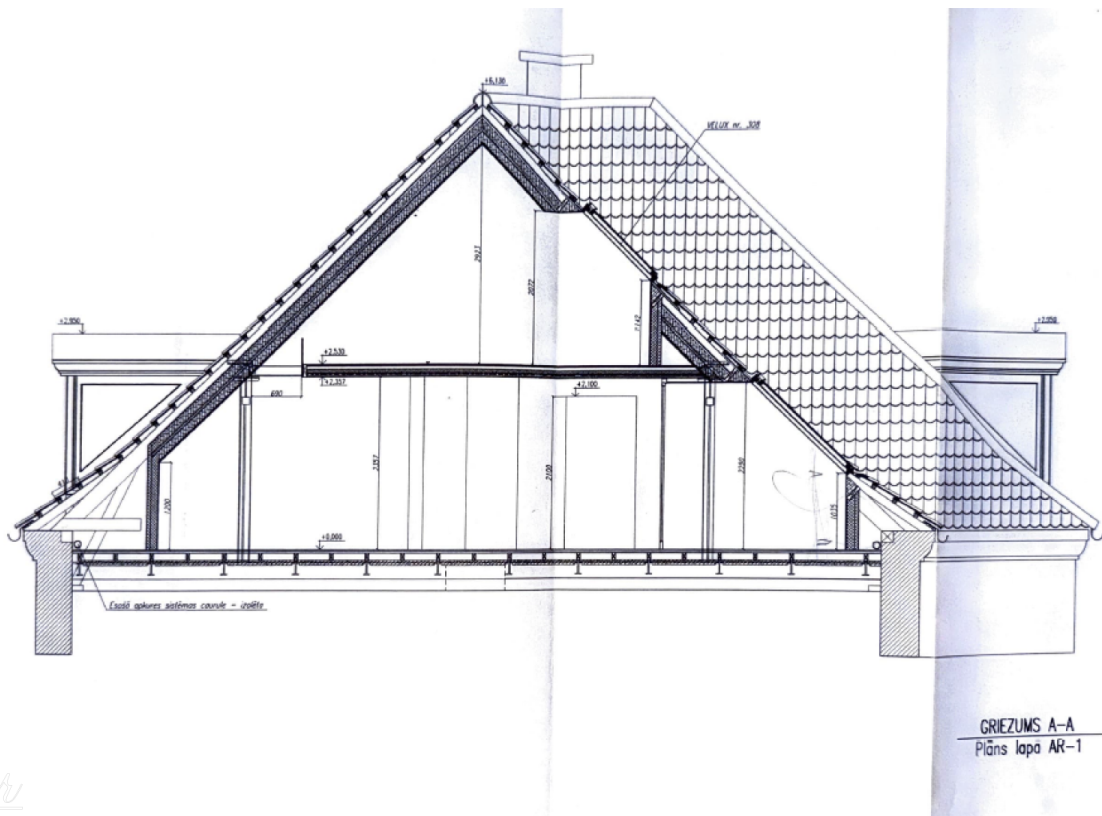

Unbuilt loft rooms with coordinated project No 1003, which was drafted in the original on 7 May 2001.

Ridge height 5453 m.

The project includes the construction of an elevator from outside the house, which would provide direct and exclusive access to the apartment only for the owner.

The project plans to build a 3 two-story apartments with mansard-style windows that would leave the roof overlooking St....
