

Bright and warm flat in a unique renovated building of 1886.

Alfrēda Kalniņa 6, Rīga

Deal: BUY

Type: Apartment

Total Area: 79 m²

Sale Price: 215000 €

Bright and warm flat in a unique renovated building of 1886.

The house was built by the famous architect Janis Friedrichs Baumanis and is a historical heritage of Riga, included in the Unesco list of architectural monuments.

The building was completely renovated in 2018. It combines comfort and elegance.

- Beautiful guest lounge with panoramic window on the ceiling and designer furniture
- Restored stairwell with preserved historical elements
- Quiet, gated courtyard with automatic gates
- Elegant new lift
- Underground car park wi...
