A fully finished apartment by the Daugava River promenade.

A one-room apartment in a Lithuanian-type project. The apartment is located on the first floor. The stairwell is closed and well-maintained, with a code lock. A full renovation was done 5 years ago, including replacement of electrical wiring and plumbing risers. PVC windows and a new entrance door have been installed.

The apartment layout consists of:

- A corner hallway with space for a wardrobe or storage system, with a total area of 3.5 m<sup>2</sup>.
- A room with a total area of 16.3 m...
