Do you like being in the center of events? Do you like dynamic and an active lifestyle?

Apartments in this house are a unique opportunity to live in the center of events, while at the same time feeling cozy and safe.

This house was built back in the days when things were made to last forever. Historical design is mixed with modern solutions here. Replaced communications and electrical wiring. Outlets for connecting recuperation. Replanning options with individual solutions. You can arrange the apartment according to your wishes. If you want a...
