Krimulda Manor is one of the most picturesque and historically rich places in Sigulda. It is located in the territory of the Gauja National Park, offering an excellent opportunity to enjoy cultural heritage, natural beauty and peaceful relaxation.

The Krimulda Manor complex dates back to the 19th century, and it has retained its authentic charm to this day. The manor building is an excellent example of classicist architecture, where antiquity combines with elegance. Walking around the territory, you can feel the atmosphere of the historical er...
