Excellent land property just 500 meters from the beach, in the prestigious Dzintari district. The plot is located between minor streets, where there is not much traffic and noise. This part of Mezaparks Street is in a beautiful green environment. The property is adjacent to all necessary communications, water and sewerage. A gas pipeline runs parallel to the plot. The electricity transformer is located on the opposite side of the street, which significantly reduces the cost of electricity connection. The plot is zoned for mixed centre deve...
