

Office and warehouse premises in Skanste

Duntes 7, Rīga

Deal: RENT

Type: Warehouses

Total Area: 883 m²

Sale Price: 8830 €

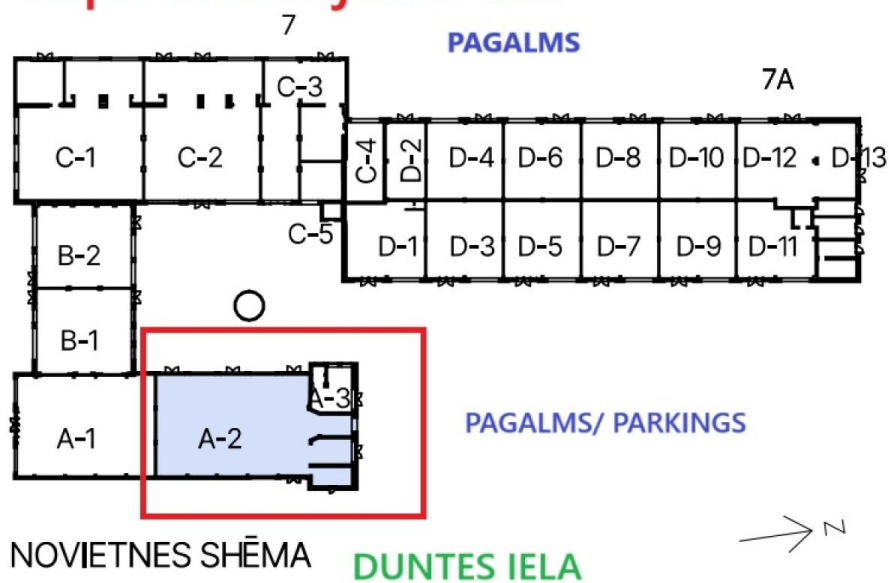

Modern premises for rent that can be used in various ways. The object is located in a spacious, newly reconstructed area. Nearby are large business centers: Skanstes City and Duntes business center. The premises are designed according to the Stock Office principle (three in one) - the 1st floor is suitable for a warehouse and a showroom (for product demonstration / shop / customer service), and the 2nd floor for offices. The first floor has several entrances, display cases and lifting gates for goods deliveries. The premises have columns that...
