Luxury apartment in Flying Tree House in Hoft project in Riga's Quiet Centre, Strēlnieku Street!

The new 6-storey apartment building combined with the historic building - happy living in an inspiring environment.

Hoft - the trinity of green living, respect for the city's history and contemporary architecture.

On the central facade and in the courtyard, various conifers - cedars, mountain pines, bonsai trees, trees of various kinds - are arranged on terraces and additional structures at different levels using a special fastening system, t...
