Warm, renovated apartment in a building constructed in 2007. The building is well insulated and features reinforced concrete walls and floors.

- The apartment is located in a courtyard building, ensuring peace and quiet away from street noise.

The bedroom windows face south, while the living room and kitchen face north — providing easy ventilation and maintaining a pleasant indoor temperature balance.

The apartment has two balconies – one accessible from the bedroom and the other from the living room. The view overlooks a quiet courtyard wi...
