Anņīmuižas bulvāris 43, Rīga

Deal: BUY

Type: Apartment

Total Area: 188 m²

Sale Price: 226600 €

An apartment with a panoramic sunset view in the well-known Solaris project is offered for sale.

This modern residential project is known for its high construction quality, excellent thermal and sound insulation, and spacious, light-filled apartments. The apartment is located on the 13th floor of a 24-storey building featuring a large guest lobby, parking next to the building, four modern OTIS elevators, video surveillance, and 24/7 security.

The ceiling height is 2.8 m. The windows offer a wonderful view of the city skyline, the Gulf of...
