Build your house or business by the sea on the shores of Baltic Sea-Saulkrasti.

The plot is in a magnificent location, in the very heart of the Saulkrasti, by Forest Park itself and the Sun's Hill. One of the exclusive plots you can buy on the Saulkrasti. This possibility occurs once every ten years, if not infrequently.

The plot is in the right shape. The land is part of two types of zoning. Approximately 35% is part of the JC1 zoning and the rest is part of the DA zoning. According to the Saulkrasti Municipality spatial plan, zoning JC1 pr...
