The house has just been cosmetically renovated and new appliances have been installed so that tenants can move right in to a tidy, welcoming space.

The living area is spacious and combined with a large, well-equipped kitchen. There is a fireplace in the centre of the room, which adds cosiness and warmth in the evenings. The house has three bedrooms and a separate study, which will be handy for working from home. The master bedroom has its own bathroom and a large walk-in wardrobe.

As the house is wooden, it has a pleasant, natural climate...
