For Sale: Very Cozy and Bright Apartment at Varavīksnes gatve 20

A particularly pleasant apartment is for sale in a 602-series building. Originally a 3-room apartment, it has been thoughtfully redesigned into a spacious and comfortable 2-room apartment. The redevelopment is approved and registered in the Land Register. The apartment retains its original radiators, which provide a warm and comfortable atmosphere. A radiator replacement project has also been prepared.

The apartment is very cozy and full of character, combining natural material...
