A 2-room apartment is for sale on Thomson terraces, fresh after cosmetic repairs.

You can set up the flat entirely yourself.

You buy an apartment in a house built in 2004 with your own underground car park. The apartment consists of a large bedroom overlooking Thomson Street, the large wooden windows, with plenty of daylight, spacious bathrooms with a shower cubicle, and a kitchen combined with a guest room.

Laminate floors are laid out through the apartment, with ceiling height amounting to 2.85 m.

The house has an elevator and a beautifu...
