Beautiful house with a view of the Daugava River and the city panorama, featuring solar panels and a garage.

A modern house built and commissioned in 2018 is offered for sale. The house is constructed of expanded clay concrete blocks (40 cm) and insulated with stone wool (15 cm). It has a metal roof covering and PVC windows. The surrounding area is well landscaped with fruit trees and bushes (apple trees, pear tree, currants, gooseberries, raspberries), and a wooden fence with automatic gates. The house features a modern designer interior, m...
