Bright and warm apartment with two terraces and underground parking in a gated private residential community, just 5 minutes from Imanta.

The apartment is located on the second floor of the new residential project “Zaru 10”, commissioned in 2022. The complex offers a fenced and well-maintained territory, a children’s playground, underground and surface parking — a very pleasant addition ☐ The building is constructed from high-quality materials: concrete block walls with insulation and a bitumen roof.
