

Spacious apartment close to the centre for people who want to create a home that's just right for them.

Katoļu 2, Rīga

Deal: BUY

Type: Apartment

Total Area: 58.9 m²

Sale Price: 46250 €

This part of Moscow Forstāty is developing day by day into a comfortable place to live. One by one, pre-war houses are being renovated and new apartment blocks are being built. A new RIMI store has recently been built, and the city's communications are being renovated.

The apartment is located on the 1st floor of the house. It has windows facing west and east. The windows are PVC. The apartment has rooms with afternoon sun.

The apartment has 2 spacious isolated rooms. Large kitchen, bathroom, pantry and toilet. Several partitions are non-load...
