Bieriņi is one of the quietest and greenest neighbourhoods in the south-western part of Riga.

Bordering Agenskalns, Ziepniekkalns, Tornakalns and Marupe, it offers a balance between urban amenities and the tranquility of a residential neighbourhood.

Both apartments are located on the 1st floor of the building. The windows of one apartment face south-west, the windows of the other apartment face north-east. The windows are PVC with triple glazing.

Each of the apartments forms a complete miniature studio apartment, which has everything necessa...
