

2-room apartment in a renovated building with high-quality finishes

Puķu iela 6, Rīga

Deal: BUY

Type: Apartment

Total Area: 50 m²

Sale Price: 144500 €

For sale: a fully equipped apartment in a restored historical project. The building has undergone full reconstruction, including the replacement of all engineering communications. Multi-chamber double-glazed windows and individual heating meters have been installed. High-quality renovation – features wooden parquet flooring, marble tiles in the bathroom, and premium sanitary ware.

The price includes a kitchen unit with all necessary household appliances, as well as bedroom and living room furniture. The windows face a quiet, green courtyard....
