Sale Price: 153000 €

A tasteful, modern apartment with 2 separate rooms has come onto the market. Located in a beautiful and very central area, near St. Peter's Church and the House of the Black Heads. The building in which the apartment is located is in very good condition. Clean and well-maintained staircase. Friendly neighbors. A big advantage is that there is a parking space available in the courtyard — a relatively large parking area where there is enough space for everyone, and the permit costs only 10 EUR per year. There is also a separate designated area f...
