A real pearl, premium, bright and cosy apartment in an elite neo-Gothic building in the nearby Agenskalns, next to the centre of Riga. One of the most beautiful buildings in Riga. The building is located at Meža Street 4A - at the intersection of the charming atmosphere of Āgenskalns and the rapidly developing district of Kīpsala. Property values in this area remain stable and continue to grow.

This beautiful apartment is located in a building designed by the renowned architect Konstantīns Pēkšēns between 1901 and 1903. In 2024, the apartmen...
