

A flat, clean plot of land on the bank of the Pikurga river

Pērkons 36, Rīgas rajons

Deal: BUY

Type: Land

Land Area: 1640 m²

Sale Price: 32000 €

A flat, clean plot of land on the bank of the Pikurga river.

The opportunity to cultivate a beautiful coastline with a terrace and a swimming area.

The plot of land is located between Ulbroka and Salaspils. The plot has electricity (25A).

The plot of land is located in the area of detached houses (DzS), which means that the construction of one-apartment residential houses and two-apartment residential houses is allowed. In the sense of these binding regulations, one-apartment residential buildings are buildings, of which at least half...

The map shows a section of Riga, Latvia, centered on the area around the Riga City Hall (Rīgas domes ēka), which is marked with a red dot. The map includes several major roads: A8 (yellow), A7 (yellow), and P132 (white). Key landmarks include the University Children's Hospital (pink building) and the Bieķengrāvis river (blue). The area is labeled ATGĀZENE. Other streets shown include Garozes iela, Dīķa iela, Putni iela, Bauskas iela, Mālu iela, Irbenes iela, Cēres iela, and Aizupes iela. The map is sourced from Mapbox and OpenStreetMap.
