Sale Price: 193055 €

Modern, bright apartments in a completely renovated building

The apartment has a thoughtful and functional layout that ensures a pleasant indoor microclimate and meets all the requirements of modern life. The designer's modern interior combines functionality and naturalness, balancing it between open space and dark colors.

Two isolated bedrooms, kitchen combined with living room. Combined bathroom (Bath with WC). The bathroom is equipped with heated floors, electric heated towel rail, stone mass bath, high quality Laufen and Villaroy Bos...
