Premises with tenants in
Plavnieki

The premises are in a good location on Sakharova street. They are divided into 3 separate commercial premises with their own entrance in each of them. The type of use of the premises group is 1230 (wholesale and retail premises groups). The house is located only 30 meters from Sakharova Street and is right next to the pedestrian crossing, where there is an intense pedestrian flow, because Sakharova Maxima is located on the opposite side of the street. The premises are located on the plinth floor, they are...
