

Two-room apartment for sale in a renovated historic house built in 1872 overlooking the Art Museum of Latvia

Krišjāņa Valdemāra 17, Rīga

Deal: BUY

Type: Apartment

Total Area: 47.4 m²

Sale Price: 128000 €

A two-room apartment is for sale in a renovated historic house built in 1872 overlooking the Art Museum of Latvia.

A unique architectural object, the house is of historical value and therefore has many design elements, such as wooden and wrought iron decorative railings in the staircase, paintings and ceiling decorations. The house has a fully renovated, beautiful facade, lockable staircase and access to the courtyard. The house will be put into use, the finishing works of the entrance hall and the installation of a modern KONE elevator are cu...
