Spacious two-storey house with quality finishes and furniture is for sale in the centre of Imanta. The house was built in 1988, made of brick and finished with insulation, which guarantees good thermal insulation. PVC windows are installed. It is fully ready to live in. The house has an attic room and a small cellar, which can be used for storing items or preparations. Also there is a built-in garage, with automatic gates, the entrance to which is both from the territory and from the house. In the garage there is a pit for repair work. The tota...
