

Three-room apartment in a renovated building in the city center!

Alauksta 7, Rīga

Deal: BUY

Type: Apartment

Total Area: 46.6 m²

Sale Price: 145000 €

ABOUT THE PROJECT

The building complex has undergone a complete renovation, including full replacement of all utilities — electrical installations, water supply and sewage systems. New internal partitions have been built, and new apartment entrance doors installed in compliance with sound insulation and fire safety regulations. The building facades have been renovated and insulated, and the attic spaces have been insulated as well. Apartments are equipped with heat recovery (recuperation) systems, while heating is provided by convectors and un...
