Build your dream house in one of the most beautiful cities in Latvia.

Several plots of land are available in a great location, further from the highway, in the area of Jūdažu/Helmaņa Street. All main infrastructure connections – water, sewerage and electricity – are available for each plot of land. A street with paving and lighting has been built. The zoning of the land is DzS1, which is primarily intended for the construction of detached houses.

Good location, practically everything you need can be reached within a few minutes' drive. Lidl...
